### Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

This application is allowable for the reasons set forth on pages 7-9 of the Board of Patent Appeals decision, wherein it was held that the burden of establishing a *prima facie* case of obviousness was not established of the instant claims over the prior art of Zikria in view of Weiss, Munkres and Gerdin; specifically, there is no suggestion in the prior art of record that a simultaneous preventative treatment could be obtained by the composition of the instant claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
